## ADMINISTRATOR'S REPORT February Update 2003

### H2P2 Implementation Activities of the Subarea Health Planning Councils (SACs)

- Hawaii** H2P2 Chapter on Behavioral Health: The Hawaii SAC is nearing completion of the behavioral health transportation grant project. A March/April 2003 conference is planned to review needs, propose solutions, develop and present strategies for action.
- Honolulu** H2P2 Chapter on Long Term Care – Members reviewed the process and outcome indicators. Information will be gathered to validate the selection and refinement of the monitors to be used. The group also agreed to invite community experts to future meetings to provide input on long term care plan development process.
- Kauai** H2P2 Chapter on Behavioral Health: Substance Abuse. Members reviewed the recent community drug action initiatives taken by the Mayor Bryan Baptiste. The Mayor agreed to meet with members on March 11<sup>th</sup> and KSAC would like to coordinate it's drug prevention project with the Mayor's initiatives. Also on the calendar for April 8<sup>th</sup> is a discussion with Dr. Lee Evslyn, CEO of Wilcox regarding the near and long term plans of Kauai's major health provider.
- Tri-Isle** Before selecting their next H2P2 project, the SAC is updating their information about health resources in Maui County and reviewing their H2P2 priorities.
- Windward** H2P2 Chapter on Diabetes and other Chronic Disabling Conditions: Members reviewed the history of the Asthma Coalition, highlighting the key elements of the process that resulted in the activities of the project. This experience will be used in working on future projects. H2P2 Chapter on Heart Disease and Stroke – Hypertension: The SAC is reviewing the information they have acquired to date on hypertension and will be choosing their new directions during the next few meetings.
- West Oahu** No meeting was held in February.
